

Activity Badge requirements

here are a number of Activity Badges available to Explorer Scouts. These build on the requirements of the Activity Badges in the Scout Section and lead towards the requirements for National Governing Body Awards. This chapter lists the requirements for all Explorer Scout Activity Badges.

The requirements of the Activity Badges should be adapted for Explorer Scouts with Special Needs. This should be done together with the Explorer Scout, their parents or carers and any other appropriate Adviser.

The requirements for the Staged Activity Badges are listed in the next chapter.
