

Module C

That's the way to do it

Introduction

Split into 3 groups

1. Visual (diagram)
2. Audio
3. Written (words)

Then all demonstration

- Sheet of paper
- Aeroplane

Report back as large group

Module C

Activity

In section al groups generate ideas based around the theme of the paper (or whatever)

Write on post it notes – use different colours for the way they would do it. Stick onto section sheets (provide support and materials)

Module C

Choose one of the ideas per group. Prepare the activity for delivery to the other groups. Others groups do the activity.

Feedback:

Evaluate the method of delivery (not the person)

Suggest they deliver to section for validation

Module C

Final Evaluation:

Yes

No

Can do

Hesitant
