

Survival Simulator

You have crashed in a wilderness area, in spring, somewhere in South America. The area is wooded and miles from anywhere. You have managed to salvage a number of items from the wreckage of the plane, but the wreckage is not visible from the air and no one is aware of where you were flying, so you decide to try and walk out. The only rucksack you have managed to salvage is very small and will only allow you to carry 8 items.

You need to decide which 8 of the items listed below you will take with you:

- Axe
- Ball of String
- Blanket
- Candle
- Chewing Gum
- Chocolate
- Coil of Wire
- Collapsible Water Bottle
- Compass
- Dried Food (10 Days Supply)
- First Aid Kit
- Flexible Saw
- Insect Repellent
- Knife
- Magnifying Glass
- Mallet
- Matches
- Mirror
- Money
- Needle and Thread
- Newspaper
- Petrol
- Sheet of Polythene
- Spade
- Sun Tan Lotion
- Sweets
- Torch and Battery
- Water Bottle
- Water Purifying Tablets
