## **Application for an International Letter of Introduction**

The International letter of Introduction (ILI) acts as a Scout Passport. It is available to all members of the Scout Movement (or adult Leaders in the case of a party) in order to prove their membership of the movement. It carries no automatic rights but is an effective way of ensuring a warm welcome from Scouts in other countries.

If you are going abroad as an individual, please complete this form and send it to your Assistant County/Area Commissioner (International) or your County/ Area International Advisor. Leaders of parties will automatically receive an ILI upon submission of the PC (Abroad) form.
